

### PARTS SUPPLIED:

- 3 x Premium Crates
- 1 x Base Crate (with Wheels if selected)
- 3 x Slat Shelves
- 12 x Shelf Brackets
- 9 x Joining Bolts

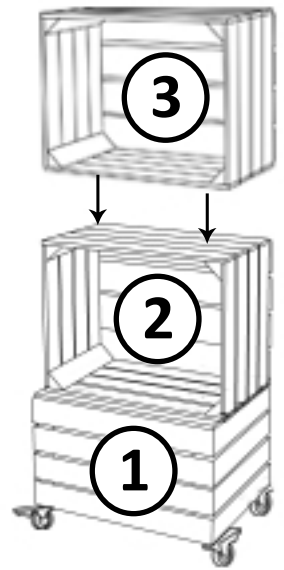

### Step 1.

Place the base crate (with wheels) on the floor on it's side so you can access the drill holes on the top. Thread the joining bolts through Crate 2 and into the top of Crate 1. Tighten with allen keys provided and then stand the crates upright (as shown >>).

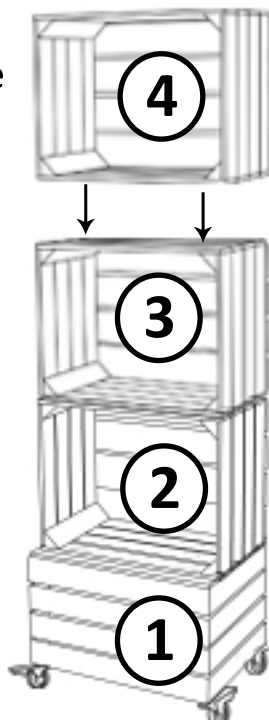

### Step 2.

Place Crate 3 on top of Crate 2 ensuring the drill holes line up. Thread the joining bolts through Crate 3 into Crate 2 and tighten with allen keys provided.

### Step 3.

Place Crate 4 on top of Crate 3 ensuring the drill holes line up. Thread the joining bolts through Crate 4 into Crate 3 and tighten with allen keys provided.

### Step 4.

Place the shelf brackets in the pre-drilled holes on the inside of the crates.

Place each shelf onto the brackets.

Your crate display is ready! Release the braked wheels to move into position and place your products.
