

## Desk Guard Bracket Clamp Instructions

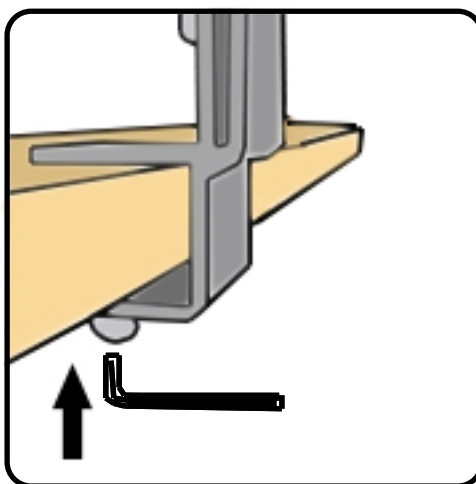

2 x Desk Bracket Clamps

2 x Allen Keys

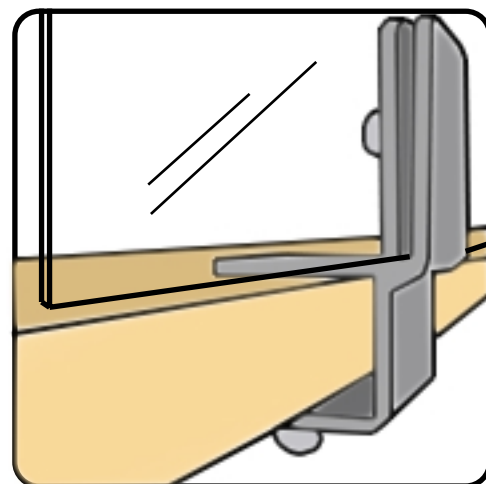

Brackets can fit up to 5mm acrylic.  
Over tightening of screws into acrylic and furniture can caused marks/damage. Install with care.

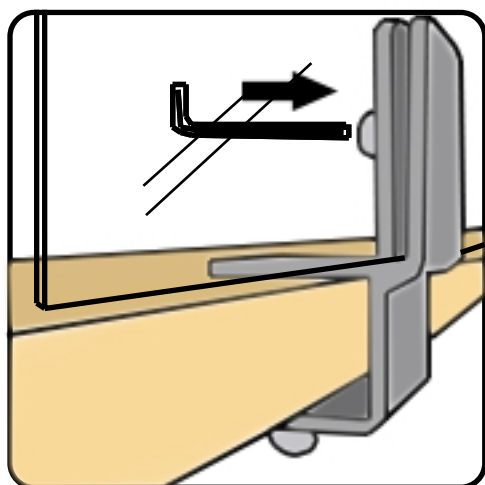

1. Position bracket clamps over lip of desk equal distance apart.

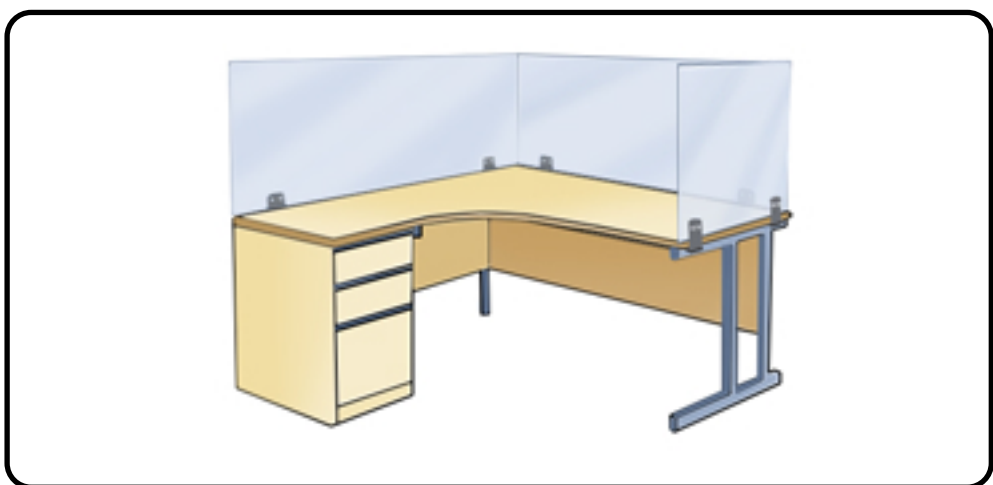

2. Tighten Screws at base of each-clamp. Do NOT over tighten or damage will occur.

3. Place Desk Guard acrylic into the top of the brackets.

4. Tighten Screws at top of each clamp. Do NOT over tighten or damage will occur.

5. Repeat as necessary to assemble your Desk Guard System.
